To Whom It May Concern;

We are writing this letter to express our extreme satisfaction by the job done by ID Project in the renovation of the "Hotel le Bristol".

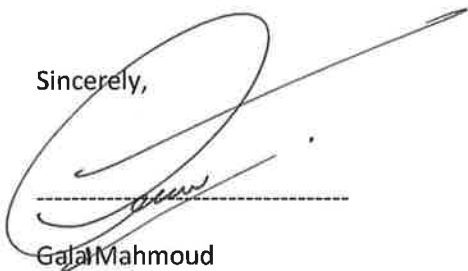

ID Project accompanied us like a true professional partner in the launch of a new beginning for the hotel. The work done is a perfect embodiment of our designs and the final product was of exceptional standard. The high quality of IDP's work is evident and reflects its expertise in all manufacturing and design aspects. Knowing that the schedule was ambitious, we believe that it met due to the notable effort put forth by the determined IDP team.

All along the project, IDP's experience was essential in swiftly dealing with installation difficulties and proposing creative solutions.

Finally, we would like to thank ID Project for their unique dedication that lead to the delivery of a high quality job while respecting a tight schedule.

I look forward to many more successful projects with ID Project in the future.

Sincerely,
